This panel explores the English translation of Ferenc Andai's memoir *In the Hour of Fate and Danger*, published by the Azrieli Foundation in 2020. One of approximately 6,000 Jewish Hungarian men conscripted to work as forced labourers in the copper mines of Bor, Serbia, this memoir is a first-hand account of the Holocaust in Central Europe. All are welcome to attend the session, which is part of the Hungarian Studies Association of Canada conference at the Congress of the Humanities and Social Sciences.
